## UK Finance: Mortgage Arrears and Possessions Update Quarter 1 2020

- There were 72,380 homeowner mortgages in arrears of 2.5 per cent or more of the outstanding balance in the first quarter of 2020, 6 per cent fewer than in the same quarter of the previous year.
- Within the total, there were 22,050 homeowner mortgages with more significant arrears (representing 10 per cent or more of the outstanding balance). This was 6 per cent fewer than in the same quarter of the previous year.
- There were 4,420 buy-to-let mortgages in arrears of 2.5 per cent or more of the outstanding balance in the first quarter of 2020, 6 per cent fewer than in the same quarter of the previous year.
- Within the total, there were 1,170 buy-to-let mortgages with more significant arrears (representing 10 per cent or more of the outstanding balance). This was 3 per cent fewer than in the same quarter of the previous year.
- The relatively small increase in arrears compared to Q4 2019 is likely due to the early effects of Covid-19, and the industry has since introduced multiple forbearance measures to reduce financial difficulties for borrowers who are in need of support. The level of arrears remain low by historical comparisons. More information can be found in the blog accompanying this release here: <https://www.ukfinance.org.uk/news-and-insight/blogs/mortgage-arrears-and-possession-2020>
- 1,070 homeowner mortgaged properties were taken into possession in the first quarter of 2020, 23 per cent fewer than in the same quarter of the previous year.
- 640 buy-to-let mortgaged properties were taken into possession in the first quarter of 2020, 8 per cent more than in the same quarter of the previous year.

### Notes to Editor

- 2 UK Finance is the collective voice for the banking and finance industry. Representing more than 250 firms across the industry, we act to enhance competitiveness, support customers and facilitate innovation.
- 3 The data shown are for first charge mortgages only. Figures are reported by most UK Finance mortgage members and presented here on a grossed-up basis from that sample to reflect total market size.
- 4 Arrears and possessions figures are for the UK as a whole. There is no breakdown of data for English regions or for individual countries in the UK.
- 5 In 2017, the FCA introduced new guidance (FG17/4) on the treatment of customers with mortgage payment shortfalls, including the way firms calculate these customers' monthly mortgage instalments. Lenders have been reviewing a large number of cases on an individual basis in line with this guidance, applying for possession only when all other options have been exhausted. The FCA guidance can be found here: <https://www.fca.org.uk/publications/finalised-guidance/fg17-4-fair-treatment-mortgage-customers-payment-shortfall>
- 6 The Ministry of Justice publishes mortgage and landlord possession statistics, which can be found here: <https://www.gov.uk/government/collections/mortgage-and-landlord-possession-statistics>. These include quarterly national statistics on possession claim actions in county courts by mortgage lenders and social and private landlords.
- 7 Information on the measures introduced to support mortgage customers impacted by Covid-19 is available here: <https://www.ukfinance.org.uk/covid-19/support-mortgage-customers>. These measures include:
  - A three-month moratorium on residential and buy-to-let possession action, giving customers reassurance that they will not have their homes repossessed at this difficult time.
  - Offering payment holidays to customers who have been affected by the coronavirus and all buy-to-let landlords whose tenants have lost income because of the impact of Covid-19, with landlords expected to pass on this relief to their tenants to ensure that they are supported during this time. Over 1.6 million mortgage payment holidays have been granted to date.
  - Offering customers who have exchanged contracts for a house purchase the option to extend their mortgage offer for up to three months to enable them to move at a later date. The UK government announced that moving home is permitted from Wednesday 13 May 2020, in accordance with social distancing rules.
