# UK CASH AND CASH MACHINES 2020

August 2020

## UK Cash & Cash Machines 2020

Trends in cash payments, cash machine deployment and usage, and other forms of cash acquisition

*UK Cash & Cash Machines 2020* presents information on how and where we obtain cash for daily use.

Other publications produced by UK Finance include *UK Payment Statistics*, *UK Payment Markets*, and *UK Consumer Payments*.

## UK Finance

UK Finance is the collective voice for the banking and finance industry. Representing more than 250 firms across the industry, we act to enhance competitiveness, support customers and facilitate innovation. We work for and on behalf of our members to promote a safe, transparent and innovative banking and finance industry. We offer research, policy expertise, thought leadership and advocacy in support of our work. We provide a single voice for a diverse and competitive industry. Our operational activity enhances members' own services in situations where collective industry action adds value.  
Published August 2020.

## GLOSSARY

The following acronyms are used in this publication:

<b>ATM</b>	Automated teller machine – also known as a cash machine
<b>BBS</b>	Banks and building societies
<b>IADs</b>	Independent ATM deployers
<b>SME</b>	Small or medium-sized enterprise
<b>On-site</b>	Cash machines that are accessed at the premises of BBS, including those that are accessed from the street. These are also known as branch machines
<b>Off-site</b>	Cash machines that are accessed at premises other than bank branches
<b>On-us</b>	These are transactions where the financial institution that holds the account of the cardholder is identical to the ownership of the cash machine in use
<b>Not-on-us</b>	These are transactions where the financial institution that holds the account of the cardholder differs from the ownership of the cash machine in use

Unless otherwise stated, the source of all data is payment statistics provided by members and the *National Payments Study*.

Further information relating to cash machines can be found in *UK Payments Statistics 2020*
