Distance Learning

Learning Hub: The Learning Hub gives you and your staff access to an extensive library of learning content on all the relevant FCA topics, and tools. Designed to help your employees understand their obligations under legislation and regulation that govern your organisation's activities. The Hub features interactive content with practical examples and real-life case studies. It allows organisations to manage their training needs through one easy-to-use portal, and evidence that employees are being trained and maintaining competence across the business. <https://www.ukfinance.org.uk/events-training/online-learning/uk-finance-learning-hub>

Invoice Finance and Asset Based Lending Distance Learning: Our Distance Learning Programme is comprised of three layers of qualifications – the Foundation Course, the Certificate Course and the Diploma Course all focused on supporting staff to develop best practice within the industry. To find out more visit <https://www.ukfinance.org.uk/events-training/e-learning/ifabl-courses>

To discuss your learning requirements or for more information on these workshops – including developing tailored training to run in-house – please contact our training team on training@ukfinance.org.uk.
