

ICA Essentials Virtual Classrooms

Course Dates

We are holding six short virtual learning sessions on key topics this September, designed to boost the skills and knowledge of compliance and AML professionals.

These workshops are:

- 3-hour live, instructor-led workshops
- designed to appeal to learners from different backgrounds with different learning styles
- strictly limited numbers to ensure consistent learning and interaction with the tutor
- a cost-effective session that will enable you to take a practical session on the topic

After completion of the workshop, learners will receive a £100 discount to study the corresponding ICA Certificate course on the topic.
