UK Cash and Cash Machines

Trends in cash payments, cash machine deployment and usage, and other forms of cash acquisition

UK Cash & Cash Machines 2019 presents information on how and where we obtain cash for daily use. It also includes forecasts for how cash use will change over the next ten years.

Other publications produced by UK Finance include UK Payment Statistics, UK Payment Markets, and UK Consumer Payments.

UK Finance

UK Finance is the collective voice for the banking and finance industry.

Representing more than 250 firms across the industry, we act to enhance competitiveness, support customers and facilitate innovation.

We work for and on behalf of our members to promote a safe, transparent and innovative banking and finance industry. We offer research, policy expertise, thought leadership and advocacy in support of our work. We provide a single voice for a diverse and competitive industry. Our operational activity enhances members’ own services in situations where collective industry action adds value.
