Vulnerability Academy – November 2018 to May 2019

Many firms recognise the need to improve their understanding of the issues their colleagues face to ensure customers are treated fairly and appropriately. The Vulnerability Academy is for people who want to gain the skills to address the most challenging scenarios and meet regulatory requirements. At its core, the Academy is a learning environment where senior managers follow a programme that includes five one-day workshops, supplemented by webinars, podcasts, e-learning, reading lists and downloadable resources.
