Glossary

The following acronyms are used in this publication:

ATM	Automated teller machine – also known as a cash machine
BBS	Banks and building societies
IADs	Independent ATM deployers
SME	Small or medium-sized enterprise
On-site	Cash machines that are accessed at the premises of BBS, including those that are accessed from the street. These are also known as branch machines.
Off-site	Cash machines that are accessed at premises other than bank branches.
On-us	These are transactions where the financial institution that holds the account of the cardholder is identical to the ownership of the cash machine in use.
Not-on-us	These are transactions where the financial institution that holds the account of the cardholder differs from the ownership of the cash machine in use.

Data sources

Unless otherwise stated, the source of all data is payment statistics provided by members and the National Payments Study.

Further information relating to cash machines can be found in UK Payments Statistics 2018
